

FOREWORD TO THE FIRST VOLUME

A journal is a mirror of any educational institute showing various academic and research activities of all academicians, research scholars and students. The academic excellence of a college is mainly concerned with various publications of journal, periodicals and other important academic works. It is a pride moment for us to bring out the inaugural volume of the journal titled as '**ENSEMBLE**' – a bilingual peer reviewed academic journal which serves as a platform of all teachers, research scholars and students in humanities and social sciences and sciences of this college. One of the main thrust of the college is to focus on publications of research articles and this inaugural volume is the outcome of inter-disciplinary research works from all disciplines of this college.

I express my deep appreciation to Dr. Mukunda Mishra, *Vice-Principal*, Dr. Meghnad Saha College to give sincere effort and unfailing support to publish this quality journal. Special thanks are also due to all contributors, members of Editorial Advisory Board, Board of Reviewers and Editors for their generous help and valuable suggestions in ensuring timely publication of this journal.

Malda, The 23rd March 2019
