

FROM THE DESK OF VICE PRINCIPAL

ENSEMBLE is a 'piece of long cherished dream' of all the faculty members and staff of Dr. Meghnad Saha College. This is the joyful moment when the College is publishing the first volume and first issue of this journal and moreover, it is giving me a healing sense of pleasure as I have been given the opportunity to serve as the Managing Editor of this volume. Each article submitted for the consideration of publication in the ENSEMBLE has strictly undergone the double blind peer reviewed process, followed by a rigorous language editing by the dedicated language experts. The academic world is increasingly driven by cross-disciplinary visions and models, and we seek some of them in this volume.

I'd like to extend my deepest gratitude to Dr. Subrata Saha, *Hon'ble Administrator* of Dr. Meghnad Saha College for all of his inspiration & earnest support to ensure the publication of this first volume. I'd like to extend my heartfelt thanks to our Editorial Board for their work so far in helping to find this very first volume of ENSEMBLE. I'd also like to extend my sincere thanks to all the members in the Board of Reviewers whose prompt responses and thoughtful reviews helped us completing the task timely without compromising the quality.

My deepest sense of gratitude is also for all the Contributors of this volume without whose endeavours our 'dream' couldn't be 'actualized'.

This first volume is the flag off for the ENSEMBLE. I sincerely look forward to a successful long journey ahead for providing the academicians and research scholars a canvas to portray their intellectual and innovative thoughts.
