

FROM THE DESK OF VICE PRINCIPAL

ENSEMBLE is growing. It is not growing merely by the age of half of a year, rather it has come forth a good extent toward disseminating its role as a hearth of radical thinkings from scholarly minds. This was a joyful sense of mind when I was writing on the eve of the publication of its very first issue; but now I am indeed overwhelmed. It is giving me a healing sense of pleasure that I have been given the opportunity to serve as the *Managing Editor* of ENSEMBLE for the consecutive two issues. I reciprocate with gratitude from the bottom of my heart to all of them for whom it becomes possible to publish the second issue of the academic journal of the college in its stipulated time. I'd like to extend my deepest gratitude to Dr. Subrata Saha, *Hon'ble Administrator* of Dr. Meghnad Saha College for all of his inspiration. I do express my sincere thanks to the learned *Members of the Board of Editors* of this volume for their sincere cooperation. I'd also like to extend my sincere thanks to all the *Members of the Board of Reviewers* whose prompt responses and thoughtful reviews helped us to complete the task timely without compromising the quality.

I also reciprocate with sincere gratitude to all the Authors of this issue of ENSEMBLE, without whose endeavors pages were not filled up with scholarly content.

ENSEMBLE is committed to the academicians and research scholars to provide a canvas for portraying their intellectual and innovative thoughts.

I do hope, this volume will reach a global audience.
