Administrator, Dr. Meghnad Saha College  
& Patron-in-Chief, ENSEMBLE

I am delighted that 'ENSEMBLE', the bi-lingual peer-reviewed academic journal of Dr. Meghnad Saha College, is presenting the First Issue of its Second Volume. I am very excited that the journal has been attracting more than a hundred papers for a single issue from different states, covering almost all corners of our country. The variety of submissions from different states will help to fulfill the aimed initiatives of this journal. I am also delighted that the researchers and academicians from different fields of humanities, social sciences, and sciences demonstrate an interest in sharing their research with the readers of this journal.

This issue of the journal contains few outstanding articles which shed light on contemporary research in humanities and social sciences. The journal also acts as a forum of exchanging interdisciplinary knowledge among the researchers, academicians, and students. It is worth mentioning that the University Grants Commission has enlisted the journal to the UGC care list and got the Crossref membership to let the world know the journal exists.

As a patron of this promising journal, I am deeply grateful to all authors for their excellent works and remarkable contributions. I express my sincere thanks to all learned members of the editorial board, the board of editorial advisors, the board of reviewers, and all teaching staff of the college for their trust, patience, and wholehearted cooperation. Very special thanks to Dr. Mukunda Mishra, Vice Principal and Managing Editors of the Journal, who has worked hard for a long time to see this journal come to fruition in National repute.

I am looking forward to receiving high-quality and novel articles in a wide range of languages, humanities, arts & cultures, social sciences and sciences in the future.
